

Privacy Policy

This privacy policy has been composed in order to serve those who are concerned with how their personal information is being used online.

Personal Information can be used on its own or with other information to contact, locate or to identify an individual. Please read our privacy policy carefully to understand how we collect and use your personal information on our website.

What personal information do we collect from the people that visit the website?

When you access our website, we will collect and process the following data about you:

1. The information you give us, your e-mail address, username and password.
2. Technical information, the type of browser and version you are using, access times, pages viewed and your IP address, information about the location of your device each time you access or use one of our mobile applications.

We collect your email address in order to:

- respond to requests or questions
- send information and updates
- send you additional information related to our services

Your rights

Our site may, from time to time, contain links to and from the websites of our partner networks. If you follow a link to any of these websites, know these websites have their own privacy policies and that we do not have any responsibility for these policies.

Changes

Any changes we make to our privacy policy in the future will be posted on this page and, where appropriate, notified to you by e-mail. Please check to see any updates or changes to our privacy policy.
